He's got a rolling stones tee  
but he only knows one song  
They think they're from the sixty's  
But they were born in 1991

There's a man standing in the corner  
No-one knows quite where he's from  
There's a fight between Jill and Luana  
she's got a tattoo of a piece sign on her thumb  
all that and the nights only just begun

stay out tonight and see through my eyes  
stay out this time, and we'll be home by five  
stay out, stay out, stay out  
stay out, stay out, stay out

checkered shirts and chino trousers  
is this some kind of uniform  
it seems they think they're gangsters,  
but they barely started 6th form

She thinks she's in Barbados  
but outside its minus three  
there's a guy outside I'm avoiding  
i think that he shares a mystery  
That time when he whispered to me

stay out tonight and see through my eyes  
stay out this time, and we'll be home by five  
stay out, stay out, stay out  
stay out, stay out, stay out

because there's people falling in love  
around you  
and there's people falling over  
their own shoes

all those boys and girls and people  
looking for someone to be  
all those boys and girls and people  
waiting for their hearts to beat

all those boys and girls and people  
looking for someone to be  
all those boys and girls and people  
waiting for their hearts to beat

stay out tonight and see through my eyes  
stay out this time, and we'll be home by five  
stay out, stay out, stay out  
stay out, stay out, stay out

He's got a rolling stones tee  
but he only knows one song  
They think they're from the sixty's  
But they were born in 1991
