Faith full of holes  
And Empty Promises  
Are all that they had for you  
Trade flesh and bone  
For dirt and white crosses  
To this world we commit you

This is not goodbye  
This is just a kiss before you die  
This is not goodbye  
Take my hand and close your eyes

Now hold on  
To everything  
You thought that they had for you  
Life Love  
And eternal grace  
I wont forget you

This is not goodbye  
This is just a kiss before you die  
This is not goodbye  
Take my hand and close your eyes

And show me  
Your not afraid  
To die  
Show me  
Your not afraid

And if I could  
I would take all the pain  
For you  
You know if I could  
I would take all the pain  
For you

Pain for you

Close your eyes  
Heres a kiss

Before you die

This is not goodbye

This is jut a kiss before you die

This is not goodbye

Take my hand and close your eyes

And show me

Your not afraid

To die

Fuck you

And show me

Your not afraid
