Let's stop this fight
I'm not really sure
How we've got so far
With all this nonsense
We don't worth it
Stay late at night
Waiting for your call
And I'm not really sure
If you will speak to me again
I felt so sorry

I'm so sick of waiting for you
I'm so sick of waiting for me
And we both say goodnight
Before we hang up the phone

Pay everyday with my heart
Cause I don't really know how to
Love you
And let you down
I let you down

I'm so sick of waiting for you
I'm so sick of waiting for me
And we both say goodnight
Before we hang up the phone

I'm so sick of waiting for you
I'm so sick of waiting for me
And we kiss and make up
And forget everything
