All at once  
I finally took a moment  
And I'm realizing that  
You're not coming back  
And it finally hit me all at once.  
All at once  
I started counting tear drops  
And at least a million fell  
My eyes began to swell  
And all my dreams were shattered  
All at once.  
Ever since I met you  
You're the only love I've known.  
And I can't forget you  
Though I must face it all alone.  
All at once  
I'm drifting on a lonely sea  
Wishing you'd come back to me.  
And that's all that matters now.  
All at once  
I'm drifting on a lonely sea  
Holding on to memories.  
And it hurts me more than you know.so much more  
than it shows  
All at once.  
All at once  
I looked around and found that you  
Were with another love  
In someone else's arms  
And all my dreams were shattered  
All at once.  
All at once  
The smile that used to greet me  
Brightened someone else's day.  
She took your smile away  
And left me with just memories  
All at once  
Ever since I met you  
You're the only love I've known.  
And I can't forget you  
Though I must face it all alone.

All at once  
I'm drifting on a lonely sea  
Wishing you'd come back to me.  
And that's all that matters now.  
All at once  
I'm drifting on a lonely sea  
Holding on to memories.  
And it hurts me more than you know  
So much more than it shows.  
All at once.  
All at once  
I'm drifting on a lonely sea  
Wishing you'd come back to me.  
And it hurts me more than you know  
So much more than it shows.  
All at once.  
Holding on to memories.  
All at once  
I'm drifting on a lonely sea  
Wishing you'd come back to me.  
Wishing you'd come back to me.  
All at once
