Hey boy
Why you didn't call me?
I waited for days
I can't believe you didn't call
Hey boy
Why you didn't call me?
I waited for days
I can't believe you didn't call

A: You're gay
B: You've got a girlfriend
C: You kind of thought I came on too strong or
D: I just wasn't your thing, no ring

Hey boy
Why you didn't call me?
I waited for days
I can't believe you didn't call

When we sat
Outside for an hour at the party and talked
I thought something good could be starting
It's not a lot that I want, just some talking
And really you just injured my pride

Hey boy
Why you didn't call me?
I waited for days
I can't believe you didn't call

Susan said that maybe you're scared
Shelly says there always is a reason
And Chris said you're probably surrounded by girls
And I'm just not one of them that you're needing.
