### **GIRLS**

the secret about boys is that they want you to like them  
they want you to like them  
they want you to like them  
they want you to let them in

let's... play... boys... chase... girls  
let's... play... boys... chase... girls

### **BOYS**

the secret about girls is they want you to like them  
they want you to like them  
they want you to like them  
they want you  
the secret about girls is they want you to like them  
they want you to like them  
they want you to like them  
they want you to think they're cool
