The fuck is you lookin at

Over all the protocols to chase the cheedar  
Get this dough then retire like Masen Betha  
See yall niggas aint real duke ya fake forever  
I should dig in your pockets and take your leather  
Pull a gun up on ya ass now you talk about wait  
Weight broke the wagon ya faggot I'm packin the eight  
Snub nose with the gun up close to your grill  
Laughin at yall niggas why cuz your supposed to be

Yo I always been nice Yall aint notice the skill  
And I always been trife yall dont know that I'm ill  
And I'm always in the low so yall dont know that the ville  
Where I'm from with the guns we get dumb for the skrill  
Glock to ya frame Yo I'm always spottin the lame  
Put the dot to ya dame burn the watch and the chain

Watch, Chain, Money, Earrings, Fuck

To all them niggas in the street that I sticked and  
bucked  
When you see me dont say shit to Ruck  
To all my bitches in the world that I licked and fucked  
When you see me dont say shit to Ruck  
To all my niggas in my muthafuckin click thats butt  
Dont say shit to Ruck

Stash dough if not then its back to packing the black

Yo yall aint ready for the tongue twister  
Gun lifter rest in peace Big money mixture

To all them niggas in the streets that I sticked and  
bucked  
When you see me dont say shit to Ruck  
To all them bitches in the world that I licked and fucked  
When you see me dont say shit to Ruck  
To all my niggas in my click that I think is butt  
Dont say shit to Ruck
