Jesus! [echoes]

[Sean Price:]

P! Ha hah, yeah!

Ha ha hah... this is my album!

Jesus...

Hah, my shit, Jesus!

Aiyyo

Though shalt not fuck with the four-fifth poppa  
Feel a thousand deaths when I drop ya  
I feel for you, like Chaka Khan, call me Sean  
Pussy when I want, I'm Decepticon  
Wisdom with these wise words bein spoken from Sean  
Do the knowledge, I abolish your moms  
Demolish your squad, let y'all niggaz know who did it  
Sean Price now who's next to get it? Listen  
Que pasa homes? Welcome to mi casa homes  
Te disparo en tu cara homes  
Niggaz ask what the God is about, I'm like "Nothin"  
Meanwhile I got my manhood, in your mom's mouth  
I'm back in the game, smackin ya brain, clappin them  
thangs  
Accurate aim, snatchin your chain, get back on the  
train  
Traffickin thangs, package a king, crack is the name  
Sean is a rapper but rappin is lame, I QUIT~!  
Y'all niggaz can't rap at all, smack you fall  
to the ground, I bounce like basketball  
Sean Price is the master y'all, y'all a slave to the rhythm  
So after I finish rappin I whip 'em, P! [whip cracks]

[whip cracks:]

Ha hah! Ha hah...

Jesus... this is my album!!
