You see P you know that the Four's Kept, by my side you
scared to leave from your doorstep, embrace ya Satan
my niggas endorse that, heat your face fixed up
scalpel and forceps, Sean Rambo look at my war chest,
hamburger hill bullets peelin off raw flesh, G.I. Joe ass
niggas, can't see my flow ass niggas, listen I got a
bullet(bullet) for every bump on your face kid, I keyliod
ya neck without doin a state bid, Concrete jungle thats
where the ape live, young niggas is wack, the reason I
hate kids, young girls is sluts they older than stank is,
fat out of shape in the shelter wit 8 kids, fuckin welfare
check bitches hell yeah I deck bitches, Chris Brown

Hey!
Hey!

Niggas think I'm washed up no video, no radio so you
thinkin that my squad suck, thats outrageous passport
stamped out I needed extra pages, rappers wanna
battle smack blood out your face rappers wanna tattle,
hard denim Levi's Rugby is Polo, my youngstas hard
body, I dress like bozo, almost ashamed to say that I
rap not because of the age its just the game is so wack,
grown man spttin some wild shit, y'all smoke home
grown home alone on some child shit, young niggas
aint understandin the god well grow up a little and
understand in God, newborns learn ya lesson before
ya face to face with the black Smif N Wess P!
