Washed away and I can't remember  
How it feels to be real, oh no  
Played to what I'm supposed to be  
Not who I am, 'cause I don't know  
Don't turn the T.V. off  
I need the noise to escape my thoughts

Quiet  
Too much loud I can't hear  
The whispers of my maker  
Quiet  
I'm listening to the sound of silence  
To make it all clear  
To understand me, I need quiet

So many distractions in front of me  
I cannot see an end that's free  
Selfish thoughts wrestle for my attention  
And some too foolish for me to mention  
I don't want pain to wake me up  
These crowded thoughts they have to stop, and

Quiet  
Too much loud I can't hear  
The whispers of my maker  
Quiet  
I'm listening to the sound of silence  
To make it all clear  
To understand me, I need quiet

I wanna walk with you  
In quiet  
Talk with you  
In quiet  
Hear you, feel you  
Since you make me like you  
In quiet

Quiet  
Too much loud I can't hear  
The whispers of my maker

Quiet  
I'm listening to the sound of silence  
To make it all clear  
To understand me, I need quiet
