I'll be so fine  
I'll lose your face  
One day I'll wake up the morning but you run away

I can't believe  
You promised me stayed here forever

I leaned on you  
After taking my heart, I can't feel anymore

Love is so miserable when you feel like me  
But I love you, miss you, tonight  
Love is scattered snow, It's so cold like you  
But I love you, like the first... snow

I'll be so fine  
I'll lose your face  
Someday I was wake up morning, you run away

I can't believe  
You promised me stayed here forever  
I leaned on you  
After you taking my heart, I can't feel anymore

Love is so miserable when you feel like me  
But I love you, miss you, tonight  
Love is scattered snow, It's so cold like you  
But I love you, like the first... snow

I feel your fire  
I wanna bring you here

You're in my dreams  
I wanna see you here  
Because I wait for so long

Love is sparkling Love is peaceful  
Love is childish  
Love is free oh~  
Love is wounded  
Love is painful

Love is lying  
Love is tears

Love is too miserable something poor like me  
But I love you, miss you, tonight  
Love is scattered snow, something cold like you  
But I love you, like the first... snow
