Can you here the battle cry in the distance?
A thousand armies goin' be marchin' all around the
world
To the beat of the drum, imma keep pushing on, till' I
get what I want

Cause I'm a warrior, I'm gonna fight for your love
I'm a warrior, I'm never gonna give up
Yes I'm a warrior yeah yeah yeah
I'm a warrior yeah yeah yeah

I'm gonna break these walls around you
Anything to put my arms around you
Yes I'm a warrior, yeah yeah yeah
I'm a warrior yeah yeah yeah

I'm a warrior a warrior
I'mma I'm a warrior
