Moonlight on the River Colorado  
How I wish that I were there with you  
As I sit and find each lonely shadow  
Takes me back to days that we once knew  
We were to wed in harvest time you said  
That's why I'm longing for you

When it's moonlight on the Colorado  
I wonder if you're waiting for me too  
We were to wed in harvest time you said  
That's why I'm longing for you-ooo  
When it's moonlight on the Colorado  
I wonder if you're waiting for me too
