The river is as clear as my head
And I breathe in front of the sunset
No money, there's no problem just let you go
You will see life is better without tears

'Cause I'm on my way, on my way, on my way, to
paradise
Well I'm on my way, on my way, on my way to paradise
Well I'm on my way, I'm on my way, to paradise
'Cause I'm on my way, I'm on my way, yes I'm on my
way

Take your shoes and leave the rest behind
You don't need anything else to feel fine
Only the night will tell you what you are
So come on, don't worry, trust the stars

'Cause I'm on my way, on my way, on my way, to
paradise
Well I'm on my way, on my way, on my way to paradise
Well I'm on my way, I'm on my way, to paradise
Well I'm on my way, I'm on my way, yes I'm on my way

But if I could change the world
I'd put more music in their ears
Oh their ears

'Cause I'm on my way, I'm on my way, to paradise
Well I'm on my way, on my way, on my way to paradise
Well I'm on my way, I'm on my way, to paradise
Well I'm on my way, I'm on my way, yes I'm on my way
