It never really matter that much to me
But then you went and go and take shit too far
Let's be honest, you ain't that good of a liar
I already know the answers to my questions
I'm just hoping for the truth

[Bridge]

I don't really care, if they take me to the jail
I'll be damn if I let you walk away,
No I ain't gonna touch you
I'm just going through your stuff
Yeah that shit right there, yeah that shit

[Chorus]

I'ma fuck your shit up, shit up, shit up, shit up
Your shit up, yeah, yeah, yeah
I'ma fuck your shit up, shit up, shit up, shit up
Your shit up, yeah, yeah, yeah
I'm better by myself, yeah, yeah, yeah, yeah
I'm better by myself, yeah, yeah, yeah, yeah
I'm better by myself, yeah, yeah, yeah, yeah

Do I see a tear rolling from your eye, aha
Know you didn't give a damn when I was crying, aha
And I done cried so many times over you, over you
It don't really matter what you're gonna say, naha
I already started falling out love, yeah
Yeah, you hurt me to the core, to the core, whoa

[Bridge]

I don't really care, if they take me to the jail
I'll be damn if I let you walk away,
No I ain't gonna touch you
I'm just going through your stuff
Yeah that shit right there, yeah that shit

[Chorus]

I'ma fuck your shit up, shit up, shit up, shit up
Your shit up, yeah, yeah, yeah
I'ma fuck your shit up, shit up, shit up, shit up
Your shit up, yeah, yeah, yeah

Iâ'm better by myself, yeah, yeah, yeah, yeah
Iâ'm better by myself, yeah, yeah, yeah, yeah
Iâ'm better by myself, yeah, yeah, yeah, yeah

Yeah baby, look what you done to me
It never really matter that much to me
But then you went and go and take shit too far, shit too
far
