oh yeah alright, i know everything stops here  
you don't love me  
i am a street that you live on  
with people walking towards me  
and a girl at the bus stop  
reading postcards from nowhere  
it feels like a movie

she saw the world and she wanted it all

gangsters in traffic surround you  
and up on the rooftop yeah she's waving  
it doesn't seem to matter anymore  
she saw the world and she wanted it all  
(what can i tell you?)

letters and numbers surround you  
and out on the corner  
a policeman is sending flowers  
it feels like a movie

she saw the world and she wanted it all  
she saw the world like a silver ball

stop brining me down
