let me be your soul boy
let me be your soul
there's been no one like you,
trusted and true, for so long
and i just want to be loved by you
when i'm really loved by you
i'll be a soul boy

let me be your soul boy
let me be the one
there's been no one like you,
trusted and true, for so long

and i just wanted to be loved by you
when i'm really loved by you
i'll be a soul boy

take me as i am girl
and hold me while you can girl
there's not a woman in the world
can love me better than you do
take me as i am
like a soul boy

and i don't want to be with no-one else
i don't want to kiss no-one else
i want to be your soul boy
but no more fighting and no more leaving
it ain't exciting and i quit believing
i'm a soul boy
