Walking down the road
You created on your own
You'd be fine if you could see
Past the things you think would make
You happy

Everyone's blind and everyone
Is changing truth 'round here
Everything's His and nothing is as it seems

Feel free do your own thing
It's just your state of mind
Nothing's crazy
Feel free every moment
Find your own piece of mind
Live in the fantasy
It's all so beautiful
A beautiful lie

Chasing what your shown
Innundated by the drone
Telling you what you should be
And how you ought to live your life
And be free

Everyone's blind and everyone
Is changing truth 'round here
Everything's His and nothing is as it seems

Feel free do your own thing
It's just your state of mind
Nothing's crazy
Feel free every moment
Find your own piece of mind
Live in the fantasy
It's all so beautiful
A beautiful lie

Beautiful...beautiful lie
Beautiful...beautiful lie

Feel free do your own thing
It's just your state of mind
Nothing's crazy
Feel free every moment
Find your own piece of mind
Live in the fantasy

Feel free do your own thing
It's just your state of mind
Nothing's crazy
Feel free every moment
Find your own piece of mind
Live in the fantasy
It's all so beautiful
It's all so beautiful
Beautiful lie

Beautiful...beautiful lie
