Where do I begin?
What can I say?
What would it take to make you see?
That everything in time will be alright
Everything in time

Brighter day
Is coming
Don't let it get away
Just try
A brighter day
Seek and you will find
A brighter day

Words will fade away
You wonder
How could I have missed it for so long?
There is no better time to make it right
There is no better time

Brighter day
Is coming
Don't let it get away
Just try
A brighter day
Seek and you will find
A brighter day

Brighter day
Is coming
Don't let it get away
Just try
A brighter day
Seek and you will find
A brighter...

Brighter day
Is coming
Don't let it get away
Just try
A brighter day

Seek and you will find
A brighter day
