A road was taken to reach a goal
That was never meant to be
Was it refining? Or designing?
Trying to make me see

Am I looking for life?
Am I looking for love?
Am I searching for nothing? Yeah
Am I going the wrong way?
Do I stay where I am?

On and on and on and on and on
Oh, it goes on and on
On and on and on and on and on

Why does this keep going on
Why, will I ever see the end of this tunnel
Why? I don't know why it is
But it is what it is and I just wonder why

Confusion reigns and doubt persuades
Take your eyes off the prize
Opportunity has no place for me
Will I ever learn?

Why does this keep going on
Why, will I ever see the end of this tunnel
Why? I don't know why it is
But it is what it is and I just wonder why

In a state where there's no escape
Except when you're trying
Blinders on, is all hope gone
Will it ever end?

Why does this keep going on
Why, will I ever see the end of this tunnel
Why? I don't know why it is
But it is what it is and I just wonder why

Why does this keep going on

Why, will I ever see the end of this tunnel
Why? I don't know why it is
But it is what it is and I just wonder why
