Washed away and I can't remember
How it feels to be real, oh no
Played to what I'm supposed to be
Not who I am, 'cause I don't know
Don't turn the T.V. off
I need the noise to escape my thoughts

Quiet
Too much loud I can't hear
The whispers of my maker
Quiet
I'm listening to the sound of silence
To make it all clear
To understand me, I need quiet

So many distractions in front of me
I cannot see an end that's free
Selfish thoughts wrestle for my attention
And some too foolish for me to mention
I don't want pain to wake me up
These crowded thoughts they have to stop, and

Quiet
Too much loud I can't hear
The whispers of my maker
Quiet
I'm listening to the sound of silence
To make it all clear
To understand me, I need quiet

I wanna walk with you
In quiet
Talk with you
In quiet
Hear you, feel you
Since you make me like you
In quiet

Quiet
Too much loud I can't hear
The whispers of my maker

Quiet
I'm listening to the sound of silence
To make it all clear
To understand me, I need quiet
