Break the chain

Tracy is a good girl  
Sweet 16  
Her daddy's in her bedroom  
Makes her feel unclean  
She's slave to a secret  
That her dad and she keep together

Nathan is a genius  
Or at least he was  
Nat traded future for a glass-pipe-buzz  
Nat lives on the streets now  
For \$20 bills he'll do whatever

[Chorus:]  
Don't stop breaking the chains  
Don't stop breakin' away  
Don't be afraid of breaking the chains  
It's up to no one else  
You've got to free yourself

Rosie is a waitress at the airport lounge  
She gave up on her dreams  
Her self esteem's broke down  
Now she stares out the window  
Watching people fly around forever

[Chorus]

Make a change don't you be afraid, go on  
Free your mind from the fear inside  
And you won't be chained anymore

Look here I'm a black man  
And they say I'm free  
Seems like somebody s'til got chains on me

Well we got brothers killing brothers  
Leaving young mothers to raise a family  
We gotta stay together to make it better

[Chorus out]
