When I'm far away
Could I ever be untrue?
Naw baby

Could I fade away
Find somebody new?
Naw baby

Though this road gets long and weary
I'm always coming home to you

[Chorus]
I'll be there for you
Oh baby I'll be waiting around for you
I'll be there for you oh baby I
I'll be there for you

Could a summer breeze
Compare when you're in view?
Naw baby

Could anything or anybody
Thrill me like you do
Naw baby

So you'll never have to wonder
I commit my love to you

[Chorus]

[Solo]

Listen to me, though this road gets long and weary
Girl it always leads to you [Chorus out]
