Ooh girl, lover friend  
From the day we first began  
Felt a connection to you

Somehow can't explain  
No one's made me feel the same way  
You do

Your heart and mine are one  
Somethin' deep is goin' on  
It's like we've been here before

Seems like God above  
Had a reason to bring your love  
To me

[Chorus:]  
I love what I'm feelin' (a spiritual thang)  
You're giving to me, yeah (a spiritual thang)  
I know it's for real (a spiritual thang)  
This spiritual love you bring (a spiritual thang)

Love won't fade away  
When it's a spiritual thang  
It's like we're one in the same

Girl, we got a love that the whole  
World's been searching for  
You and me, don't you know that

[Chorus]

[Guitar Solo]

Your heart is in beat with mine  
And no stronger love will I find  
Together our souls intertwined  
Together as one, yeah...

[Chorus out]
