This is inherent,
this is second nature.
I won't deliver without
your promise
that you will save me
when I'm in need.
I can't trust anyone else.

And I know that you
will be the end of me.(x2)

Vacancies in your honesty
shall limit our ambition.
Our memories are transposed on
photographs you gave to me.
I framed them up,
tucked them away
to relive what was once aversive.

It's not the end.
This will last forever.
I will return.
This time it's perfect.
For life won't fade,
this will last forever.
It's not the end,
find your way back.

This moment, it has

replaced my means to
find an explanation
for all I ever..
where has it gone?
I will do anything.

It's not the end.
This will last forever.
I will return.
This time it's perfect.
For life won't fade,
this will last forever.

relive, regain, I can't surrender.(x2)

One life, one struggle,
we will carry on.
Through strife and hardship we shall proceed.

It's not the end.
This will last forever.
I will return.
This time it's perfect.
For life won't fade,
this will last forever.
It's not the end,
find your way Back to the Surface.
