

Sea of Treachery "Purging Of The Wicked"

The stench of charred remains,
cascades outward,
draining life from,
huddled masses.
Black out their names.
forget their faces.
without a trace,
they disappear.
They prayed for this,
such intrinsic,
beneficial,
genocide.

This life (this life) is so full of possibilities
that we
(that we)
must purge
(must purge)
ourselves of this disgrace.
please wait!
perhaps
we should think this through?
but you
make haste
to provide for us all.
(Provide for us all)

This place is hell
and can't be ignored.
i hold out hope.
such blatant disregard
for human life
won't be ignored.
I hold out hope.
such empty promises
to your people.
they'll turn on you.
Your day of judgment will come.
I felt the burden
of demons on my back.
instead of angels
Taking me from this...

the screams of children
echo from the prison,
conveying torture
and regret.

Make them suffer
for their crimes.
the time has come to...
Pay the price.

This life is so full of possibilities
that we
must purge
ourselves of this disgrace.
please wait!
perhaps
we should think this through?
but you
make haste
to provide for us all
