Nothing's gonna hold me back
It's Friday night
And I feel all right
Nobody's gonna bring me down
It's my life
And I'm doing fine
Don't you know I wanna play
So take me on a holiday
So here I am
Looking pretty for you
They come and go
So many faces it's no use
So I'm dancing alone
Dreaming solo
Cause your love's the one worth waiting for
It's just like heaven
Nobody's gonna break my heart
And hurt me like they did before
No one can even get that part
Not until I know it's deep
Can't you come and take me away
Take me to another place
So here I am
Looking pretty for you
They come and go
So many faces it's no use
So I'm dancing alone
Dreaming solo
Cause your love's the one worth waiting for
It's just like heaven
Can you hurry up
Can you feel my love
I'm burning up
I'm so hot
I'm so hot
I'm so hot
Dancing alone
Dreaming alone
So here I am
Looking pretty for you
They come and go

So many faces it's no use
So I'm dancing alone
Dreaming solo
Cause your love's the one worth waiting for
It's just like heaven
