All the nasty girls around the world
All the nasty girls around the world
Get nasty, get nasty

I'm living on the floor get down with me
I'm living on the floor come ahh with me
Get nasty, get nasty
Get nasty, get nasty

I'm living on the floor get down with me
I'm living on the floor come oompf with me
Get nasty, get nasty
Get nasty, get nasty

30 seconds highs and 30 seconds lows
I forgot my car let's a drive and go
Somebody call a cop a riots on the way
When we get to the club they'll be hell to pay
When we get to the club somebody better play
Get nasty, get nasty
Get nasty, get nasty

Everybody's lookin for a good time
Don't you know a good time doesn't hurt
Everybody wants to feel the spotlight
So let me show you how my nasty works

I'm living on the floor get down with me
I'm living on the floor come oompf with me
Get nasty, get nasty
Get nasty, get nasty

Everybody's lookin for a good time
Don't you know a good time doesn't hurt
Everybody wants to feel the spotlight
So let me show you how my nasty works

30 seconds highs and 30 seconds lows
I forgot my car let's a drive and go

I'm living on the floor get down with me

I'm living on the floor come oompf with me
Get nasty, get nasty
Get nasty, get nasty

All the nasty girls around the world
All the nasty girls around the world
All the nasty girls around the world
Around the world
