Just like an angel, you're gonna make me fly
Into your arms, you're wrapping me up so tight

You had me crawin so bad
Got me heels over head
You got me easy, you got me easy
Tangled up in my head
Reachin for heaven to help me
Cuz we're already beautiful

So dont make me cry
Cuz this love dont feel so right
You cant push a river
You cant make me fall
But you can make me unreachable

I may be sweet, but im still on the vine
You couldnt wait, no you had to take your bite

You had me crawin so bad
Had me heels over head
You had me easy, you had me easy
So they took a bet
To realize what we had
We were already beautiful

So dont make me cry
Cuz this love dont feel so right
You cant push a river
You cant make me fall
but you can make me unreachable

Sometimes love is addiction
Sometimes it hurts like hell
And sometimes you just cannot get enough
You can't make me love you,
Any more than I do
But you can make me unreachable

Dont make me cry
Cuz this love dont feel right

You cant push a river
You cant make me fall
But you can make me
So dont make me cry
Cuz this love dont feel so right
You cant push a river
You cant make me fall
But you can make me unreachable
