"You Alone"

Visit "[You Alone](#)" on MotoLyrics.com

The pain You took
Just to set me free
On that cross
Jesus, You saved my soul
So if I fail
Your mercy still remains
And though I fall
You're right there when I call

You alone are the reason that I'm alive
You alone, Jesus
You alone are the reason that I'm alive
You alone, Jesus

All I want, it is in You
All I long for, it is in You
And all I want, it is in You
In You, in You

In You, Jesus, I live in You
In You, Jesus, I live in You
