Just In Time

Words by Betty Comden and Adolph Green

Music by Jule Styne

Peaked at # 46 in 1956

Sung in the musical "Bells Are Ringing" by Judy
Holliday and Sydney Chaplin

Just in time, I found you just in time

Before you came, my time was runnin' low

I was lost, the losin' dice were tossed

My bridges all were crossed, nowhere to go

Now you're here and now I know just where I'm goin'

No more doubt or fear, I found my way

For love came just in time

You found me just in time

And changed my lonely life that lovely day

Mm, I was lost, the losin' dice were tossed

My bridges all were crossed, nowhere to go

Now you're here and now I know just where I'm goin'

No more doubt or fear, I found my way

For love came just in time

You found me just in time

And changed my lonely life that lovely day
