Good Life

Tony Bennett

Words by Jack Reardon and Music by Sascha Distel

Peaked at # 18 in 1963

Featured on the soundtrack of the 1962 Italian-French film "Seven Deadly Sins"

Oh, the good life, full of fun seems to be the ideal

Mm, the good life lets you hide all the sadness you feel

You won't really fall in love for you can't take the chance

So please be honest with yourself, don't try to fake romance

It's the good life to be free and explore the unknown

Like the heartaches when you learn you must face them alone

Please remember I still want you, and in case you wonder why

Well, just wake up, kiss the good life goodbye
