I like the sound of the ocean crashing
Waves making their way to the beach
And I like the sound of the Gulf breeze blowin'
Holding your hand, with sand on our feet
I like the sound of raindrops dancing
As we sleep away a Sunday afternoon
And I like the sound of the alarm clock ringin'
Means I'll spend another day with you

So turn it up, turn it up
Turn it up a little louder
I could never ever get enough
Turn it up, turn it up
'Cause whenever I'm around you
You've got me thinkin' that
I like the sound of that

I like the sound of the fireplace cracklin'
Watching a movie, holding you tight
Yeah, I love it when I hear you laughin'
At that joke I've told a thousand times
And I like the sound of guitars screamin'
Music so loud we talk with our eyes

So turn it up, turn it up
Turn it up a little louder
I could never ever get enough
Turn it up, turn it up
'Cause whenever I'm around you
You've got me thinkin' that
I like the sound of that

I like the sound of your heart beatin'
In my arms right here, right now
When it's so quiet I can hear you breathin'
That may be my favorite sound

So turn it up, turn it up
Turn it up a little louder
I could never ever get enough
Turn it up, turn it up

'Cause whenever I'm around you
You've got me thinkin' that
I like the sound of that

So turn it up, turn it up
Turn it up a little louder
I could never ever get enough
Turn it up, turn it up
'Cause whenever I'm around you
You've got me thinkin' that
I like the sound of that
