I never wanted to fall in love
But you came and swept me off my feet
The way you look into my eyes
It kills me
It's something 'bout the way you smile
I can't help but love the way you laugh
The playful way you call me out
It's everything

Yeah you took me by surprise
Caught up in the rising tide
Lost at sea no coast in sight
I'm terrified

And I've got nowhere to hide
Love is deep like an ocean
And your waves throw me around
Hurts my heart when we're apart
It feels like, it feels like I'm gonna drown x2
I'm gonna drown

I like being the one in control
Always afraid of letting go
But the moment you came into my life
You changed me

Yeah you took me by surprise
Caught up in the rising tide
Lost at sea no coast in sight
I'm terrified

And I've got nowhere to hide
Love is deep like an ocean
And your waves throw me around
Hurts my heart when we're apart
It feels like, it feels like I'm gonna drown x2

I take my last breath
I'm in over my head
As it come-comes over me
I'm sinking slowly

Love is deep like an ocean
And your waves throw me around
Hurts my heart when we're apart
It feels like, it feels like I'm gonna drown x4
Yeah

Love is deep like an ocean
And your waves throw me around
Hurts my heart when we're apart
It feels like, it feels like I'm gonna drown x4
I'm gonna drown
