I'm right here  
I'm right here  
Oh-oh-oooh

I'm right here  
I'm right here  
Oh-oh-oooh

I'm sitting home alone  
You called me on the phone  
To tell me all about  
The ways that he has done you wrong  
He can't communicate  
Stuck in a selfish way  
And everytime you call him out  
He says he's gonna change

You say he won't do things you want  
And I know you don't like it  
But you can't bring yourself to leave him, girl

Your tears, your pain, hurt me the same  
Hate seeing you like this  
I hate seeing you like this

So don't keep tellin' me  
You're looking for something more  
I've heard it before  
There's someone  
Who can give you what you need

But you're too blind to see  
That I'm right here  
Baby, I'm right here  
Baby, I'm right here

Yeah, I'm right here  
Baby, I'm right here  
Baby, I'm right here

He doesn't know your worth

Ain't ever gonna learn  
You need somebody  
Who's always gonna put you first  
I've been right next to you  
And helped you make it through  
I've been a shoulder  
You could cry on when you needed to

You say he won't do things you want  
And I know you don't like it  
But you can't bring yourself to leave him, girl

Your tears, your pain, hurt me the same  
Hate seeing you like this  
I hate seeing you like this

So don't keep tellin' me  
You're looking for something more  
I've heard it before  
There's someone  
Who can give you what you need

But you're too blind to see  
That I'm right here  
Baby, I'm right here  
Baby, I'm right here

Yeah, I'm right here  
Baby, I'm right here  
Baby, I'm right here

You say he won't do things you want  
And I know you don't like it  
But you can't bring yourself to leave him, girl

Your tears, your pain, hurt me the same  
Hate seeing you like this  
I hate seeing you like this

So don't keep tellin' me  
You're looking for something more  
I've heard it before  
There's someone  
Who can give you what you need

But you're too blind to see  
That I'm right here  
Baby, I'm right here  
Baby, I'm right here

Yeah, I'm right here

Baby, I'm right here  
Baby, I'm right here
