I wanna give you devotion,  
I wanna give you devotion  
I wanna give you devotion,  
Hoo-hoo-hoo-hoo-hoo-hoo-hoo-hoo-hoo...  
I wanna give you devotion

I wanna give you the beats to release your feelings,  
A starbeat rhythm with a standard healing  
A word and a message with a lot of emotion,  
With total dedication and a lot of devotion  
And a lot of devotion,  
I wanna give you devotion

Well let's start here at the beginning of my lyric,  
To be too bad to rhyme is not a merit  
To rock to roll to soul is what I aim for,  
Wait till I hit the goal and that's a top score  
Some diss along others with an ease,  
To write my rhyme in line in this a cool breeze  
Keepin' on and on and on and on to get the justice  
In the job that we have done

Hoo-hoo-hoo-hoo-hoo-hoo-hoo-hoo-hoo...  
I wanna give you devotion,  
I wanna give you devotion  
Total dedication and a lot of devotion,  
Hoo-hoo-hoo-hoo-hoo-hoo-hoo-hoo-hoo...

Well magical moments, moments are magical,  
Historical, mythological, lyrical  
Magical moments are meant to be kept,  
Don't erase them from your brain I need to eject  
I have a dream, but there's a nightmare inside,  
It's getting me uptight for the sight is a fright  
'Cause the night creeps in, creepin', creepin',  
Slowly gassin', frightnin', spooky  
'Cause a frightnin' nightmare can terrorise,  
Poll tax came and up went the rise  
Open your eyes and realise I'm a true disguise,  
Like hawk the slayer he came and quartered  
Maggie came but now she's slaughtered

I wanna give you devotion  
So don't use abuse or lose you're like flotex,  
Rock the mike to the disc and don't get upset  
Rhyme in time to the finest quality,  
That's the time when you know that you're a MC  
M I K double E,  
Takin' it down now Mikee  
M I K double E,  
I wanna give you devotion

You got to  
Takin' it down and takin' it down and takin' it down  
Mikee  
Takin' it down and takin' it down and takin' it down  
Mikee  
Takin' it down and takin' it down and takin' it down  
Mikee, Mikee  
Takin' it down and takin' it down, Mikee  
Hoo-hoo-hoo-hoo-hoo-hoo-hoo, M I K double,  
double E

I wanna give you devotion,  
I wanna give you devotion  
I wanna give you devotion,  
Hoo-hoo-hoo-hoo-hoo-hoo-hoo

Why don't you come follow me, come follow me,  
Come for me, come for me now  
Are you confident enough, ladies  
Or am I singin' it for the sound, for the sound for me  
Why don't you come for me,  
Why don't you come for me  
Come for me, come for me, because I  
I'm an entertainer, I'm an entertainer, come for me  
I'm an entertainer, I'm an entertainer,  
I'm an entertainer, I'm an entertainer  
Come for me, I'm an entertainer,  
I'm an entertainer  
Some of the lyrics, some of the lyrics  
Are black some are the heart attack  
Well some of the lyrics,  
Some are fast and some are like that  
The best of them, best of them, some of them might be  
easy,  
Come to the microphone  
I'm just another cool breeze,  
I'm just another cool breeze  
Hoo-hoo-hoo-hoo-hoo-hoo-hoo

I wanna give you a bass to release your feelings,

A starbeat rhythm with a standard healing  
A word with a message with a lot of emotion,  
With total dedication and a lot of devotion  
And a lot of devotion,  
I wanna give you devotion
