Well, I can't believe all the things that I've begun to do
Friends say I let them down and messed around, I
guess it's true
They asked me what's on my mind, I don't know what to
say
Only believing love can make me act this way

Well, you know that love can never break down
'Cause it sneaked up on me when I was unaware

I'm an innocent, try to understand
I'm an innocent victim of a thing called love
I'm an innocent, try to understand
I'm an innocent victim of a thing called love

In the night I get some feeling, wondering where I am
How can I explain the stuff that I don't understand?
Well, I used be a level headed guy
But now I can't think straight no matter how I try

I'm an innocent, try to understand
I'm an innocent victim of a thing called love
I'm an innocent, try to understand
I'm an innocent victim of a thing called love

Well, I used be a level headed guy
But now I can't think straight no matter how I try

I'm an innocent, try to understand
I'm an innocent victim of a thing called love
I'm an innocent, try to understand
I'm an innocent victim of a thing called love

I'm an innocent, try to understand
I'm an innocent victim of a thing called love
I'm an innocent, try to understand
I'm an innocent victim of a thing called love

I'm an innocent, try to understand
I'm an innocent victim of a thing called love
I'm an innocent, try to understand
I'm an innocent victim of a thing called love
