I saw her today, I saw her face  
It was the face I loved and I knew  
I had to run away and get down on my knees  
And pray that they'd go away

But still they begin  
Needles and pins  
Because of all my pride  
The tears I gotta hide

Hey, I thought I was smart  
[Incomprehensible]  
Didn't think I'd do, but now I see  
She's worse to him than me

Let her go ahead  
Take his love instead  
And one day she will see  
Just how to say please

And get down on her knees  
Hey, that's how it begins  
She'll feel those needles and pins  
Hurtin' her, hurtin' her

Why can't I stop and tell myself  
I'm wrong, I'm wrong, so wrong  
Why can't I stand up  
And tell myself I'm strong

Because I saw her today, I saw her face  
It was the face I loved and I knew  
I had to run away and get down on my knees  
And pray that they'd go away

But still they begin  
Needles and pins  
Because of all my pride  
The tears I gotta hide

Oh, needles and pins  
(Needles and pins)

Needles and pins  
(Needles and pins)

Because of all my pride  
(Needles and pins)  
Tears I gotta hide  
(Needles and pins)

Lord knows I should forgive now  
(Needles and pins)  
'Cause I've gotta live now  
(Needles and pins)

Stuck those needles, stuck those pins  
(Needles and pins)  
Needles and pins
