Who Says That Pretty Girls Cannot Afford A Mind?
Prove Them Wrong, Show Them All The Clever Mind
Inside
You've Got To Beauty Up Your Inner True Self,
Beauty Up Your Mind, Come On, Come On!
Beauty up Your Intellect Now, Beauty Up Your Mind

Who Says That Girls With Brains Look Hideous Outside?
As Long As You Feel Good, Your Face Will Surely Shine
You've Got To Beauty Up Your Pretty Features,
Beauty Up Your Eyes, Come On, Come On, Come On!
Beauty Up And Make 'Em Shine Now, Beauty Up Your
Eyes

Who Says That Perfect Girls Are Difficult To Find?
I Say That Every Girl Is Perfect Every Side!
You've Got To Beauty Up Your Inner True Self,
Beauty Up Your Mind, Come On, Come On, Come On!
Beauty Up And Make 'Em Shine Now, Beauty Up Your
Eyes
Do It Now! Beauty Up, You're Almost There, Now!
Beauty Up The Skies! 'Cause When You Beauty Up Your
In And Outside
You'll Beauty Up Your Life!

(Beauty Up!) Beauty Up! (Beauty Up!) Beauty Up!
Beauty Up Your Life! Come On, Come On, Come On!
Beauty Up! (Beauty Up!) Beauty Up! (Beauty Up!)
Beauty Up Your Life! Beauty Up!
