Smiley Man Won't You Save Your Smile  
Smiley Gal Won't You Save That Smile  
Smiley People Should Save Their Smiles On A Rainy Day  
Like This

Once In My Lifetime I Have Been Caught  
With A Frown On My Face  
And I Have Been Told,  
This Is No Way To Live A Sunny Day  
There Is So Much That I Have To Deal With  
But I Threw That All Behind Me  
Just Look At The Sun, It's Smiling!  
And So Should We...

\* (Smiley Man) Keep That Smile On Your Face  
(Smiley Gal) Come Near Me And Stay  
(Smiley People) All Come My Way  
Brighten The Doldrums With Your Smile...  
(Smiley Man) Go On, Smile All Day  
(Smiley Gal) Come And Brighten My Day  
(Smiley People) Go Outside And Play,  
Come And Make My Day Okay... \*

Once In My Lifetime  
I Have Been Blessed With Your True Love  
But I Threw That Away  
To Live As A Foolish Man Without You  
But Now I Know That I Have Lost  
The Most Important One To Me  
Come Back To My Life, Keep Smiling  
Oh, Come Join Me Please...

[ Repeat \* Twice ]  
Smiley Man Go On Keep That Smile  
Smiley Gal Go And Smile That Smile  
Smiley People Should Laugh And Smile On A Sunny Day
