I Walk This Road Beside You Through Joy And Sorrow
And You Help Me Find A Self That's True, A Light To
Follow

I Can See The Joy That We Will Find Today, With You
Beside Me

We Walk This Road Together Through Joy And Sorrow
And We Will Carry on Forever, There's Still Tomorrow
I Can See The Joy That We Will Find Today, With You
Beside Me

Ever Since I Came To Know You, My Days Were Never
The Same

It Only Seems Like Yesterday, Our Paths Beneath A
Name...

I Can See The Joy That We Will Find Today, With You
Beside Me

* And Our Love Will Always Be Here Wherever You Go,
Wherever You Are

Here It Will Stay In My Heart

And Even If I'm Far Away

I Hope You'll Be Years From Today Remembering Me
I'll Remember You *

Can You Hear My Voice? A Whisper, I'm With You
Always

I Will Never Let You Surrender, I'll Take Your Tears
Away

(Don't Have To Hide...)

I Can See The Joy That We Will Find Today, With You
Beside Me

[Repeat * Twice]

I Walk This Road Beside You, Through Joy And Sorrow
And You Help Me Find A Self That's True, A Light To
Follow

I Can See The Joy That We Will Find
Today... With You... Beside Me...
I Will Remember You...
