You better do this  
You better do that  
You better watch out  
Or I might get a bat  
You better do this  
You better do that  
do what I say  
and you won't get fat  
All I ever do  
is run 'round for you  
FUCK!  
You're the predator  
I'm the prey  
You're the owner  
and I'm the slave  
FUCK!  
SLAVE!  
FUCK!  
SLAVE!  
FFFFUUUUCCCCCKKKK!!!!!!  
You better do this  
You better do that  
You'd better be glad  
I didn't harm your cat  
You better do this  
You better do that  
I'm gonna get you  
and you'll go SPLAT!!  
All I ever do  
is run 'round for you  
You're the predator.....
