Oh, I want you, yeah, I want you  
Oh, I want you  
I'm burnin' up, I'm burnin' up, y'all  
I'm burnin' up

Cool me down now with your love, girl  
Cool me down now, there's a fire in my world  
I'm burnin' up, I'm burnin' up, y'all  
I'm burnin' up

Now when you got the love of somebody  
And you ain't sure they got the love back on you  
That's a hard thing, y'all

[Incomprehensible] you can't sleep at night  
And you lose your appetite  
And nothin' seem to taste good

And sometimes you just break out in a cold sweat  
And sometimes you break out in a hot sweat  
And then you know when you got the love of somebody

When you got the love of somebody  
When you got the love of somebody  
When you got the love of somebody

Yeah, when you got the love of somebody  
Yeah, when you got the love of somebody  
Yeah, when you got the love of somebody

Yeah, when you got the love  
Yeah, when you got the love  
Yeah, when you got the love

Oh, I want you, yeah, I want you  
Oh, I want you  
I'm burnin' up, I'm burnin' up, y'all  
I'm burnin' up

Cool me down now with your love, girl  
Cool me down now, there's a fire in my world  
I'm burnin' up, I'm burnin' up, y'all

I'm burnin' up, I'm burnin' up
