What's the use of saying that i love ya  
What's the use of saying the sky be blue  
Don't need to talk about how the world be round  
And i don't need to promise i'd be true

The night never promiss the day  
The rain never promiss the sun  
It just seem to work out that way  
and just like that i'll be back when the day is done

Chorus:  
my home is where your blue eyes are  
and my town is where your brown hair falls  
and my country is when i'm in your arms  
and my world that gone just to far

hmmmmmmmm  
hmmmmmmmm  
hmmmmmmmm

i could sing you song tonight  
or write you a letter in the sand  
but you know that i know that you know  
i allway's be you're lovin'man

so let's get down to plain speaking  
you're the reason my hart keep on beating  
and that's about how deep it's gonna get some might  
say  
you're the only thing i got that's left

Chorus:  
my home is where your blue eyes are  
and my town is where your brown hair falls  
and my country is when i'm in your arms  
and my world that gone just to far

my home is where your blue eyes are  
and my town is where your brown hair falls  
and my country is when i'm in your arms
