Ramadan, Ramadan
Ramadan, Ramadan

Get closer to your mother, and your father
Get closer to your brother, and your sister

Improve your manners, and intentions
Fill your heart with love and devotion

For the month of Ramadan, is upon us

Forgive those who have wronged you, and harmed you
Connect with who forgot you, and left you

Share your blessings with the less fortunate
The poor, old, and hungry don't forget

For the month of Ramadan, is upon us

Ramadan, Ramadan
Ramadan, Ramadan
