Bodyfly

(Written by Beppe Savoni Eddie Cumana)

where are you tonight?

Now my mind is craving

Energy to fly through a darker side of love

(Never lets me fall)

Where are you tonight?

Are you still the one who brought me to the light?

There is nothing else to know

Now my words are gone

make my bodyfly-fly bodyfly fly high

make my bodyfly-fly bodyfly fly high

make my bodyfly-fly reach for the sky-y-y (2)

needing you tonight

as I am walking through the desert of your eyes

let addiction be my rope to get away from here

come to me tonight

now my body is craving power to survive to make
sorrow disappear and drift in ecstasy

make my bodyfly-fly bodyfly fly high

make my bodyfly-fly bodyfly fly high

make my bodyfly-fly reach for the sky-y -y (2)

make my bodyfly-fly bodyfly , fly high

make my bodyfly-fly bodyfly , fly high (8)

hooooooooooooo-yea

pick my body up

take me up-fly-y-y-y

pick my body up

take me up
