My two weeks on the eastern hillside  
Washed the grime away  
The other fifty layered on  
And I will sleep under constellations  
Double stars of information  
Coyotes singing-howls away  
Cause it's a lost connection  
So this time I'll never leave  
Gonna stay on ellis mountain  
Count the pine trees  
Nail and hammer-i have home  
Overtime, unforgiven  
Pipe fitting it's not living  
Let the city have it all  
With my hand  
I've built epic structures  
With my hands-my hands  
Promise lands sduffocate in steel and mortar  
With my hands-my hands  
Cause it's a lost connection  
So this time I'll never leave
