["Words and music by E. Ray Goetz and Irving Berlin".]

[1st verse:]

Hurry up, hurry up, buy your ticket now
Hurry up, hurry up, better come somehow
Ev'rybody's going, all tip-toeing
To the picture show
Come along, come along, with a smiling face
Come along, come along, to the happy place
Where the picture reelers, fun revealers
A-flickering go

[chorus:]

At the picture show
At the picture show
Come and see the villain gay
Steal the hero's girl away
Or ponies racing
Just see them chasing
At the picture show
Owned by Marcus Loew
Come on, you're just in time
To see the latest crime
All for a single dime
At the picture show

[2nd verse:]

Better run, better run, don't you miss the show
Ev'ryone, ev'ryone has a thrill you know
Lovers that you see, too, love as we do
At the picture show
Come along, come along, to a world of fun
Come along, come along, where the films each one
With the things revealing, they go reeling
Love fonder will grow
