### "Change Partners"

Visit "[Change Partners](#)" on MotoLyrics.com

Must you dance every dance  
With the same fortunate man?  
You have danced with him since the music began  
Won't you change partners and dance with me?

Must you dance quite so close  
With your lips touching his face?  
Can't you see I'm longing to be in his place?  
Won't you change partners and dance with me?

Ask him to sit this one out and while you're alone  
I'll tell the waiter to tell him he's wanted on the  
telephone

You've been locked in his arms  
Ever since heaven knows when  
Won't you change partners and then  
You may never want to change partners again
