When you accuse me of being untrue, my dear
It hurts me so, you'll never know
There's no one else that I'm loving but you, my dear
That's true and so you ought to know

I don't go out with other guys
-I saw you myself with my own eyes
Do you believe your eyes or do you believe your baby?

Whoever told, told you lies
-I saw you myself with my own eyes
Do you believe your eyes or do you believe your baby?

You say you saw me dancing around until three
But I was home with Mother, so it wasn't me

It must have been two other guys
-I saw you myself with my own eyes
Do you believe your eyes or do you believe your baby?

[2nd chorus:]
It isn't quite what you'd surmise
-I saw you myself with my own eyes
Do you believe your eyes, you baby, don't tell lies
-Well, come on, dear, I'm wise
Do you believe your baby?
-I don't believe my baby
